CARBON, ALTA., THURSDAY, JANUARY 30, 1947

Authorized as second class mail, Post Office Department, Ottawa.

## A. E. C. NOTES

### NO MONEY?

All the signs are pointing to a big debate on education while the legislature is sitting. And all the signs indicate that the minister of education will tell us there is not enough money to give the school children a fair break.

Without criticizing anybody's personal tastes we think it fair to report that the people of Alberta can find \$36,000,000 per year to pay for hard liquor, wine beer and permits in a single year. According to the Alberta Educational Council they can find something like \$18,000,000 a year to pay for cigars, cigarettes and tobacco. So far they can only find \$314,000,000 to spend on educating their children.

It does not make sense. The minister can give us almost any argument he likes about the collapse of education but we ask him please not to tell us again that we haven't the money.

—★—

### ABOUT "SUPERVISORS"

When are we going to scrap this new system of "supervisors" that is creeping into our rural schools? Nobody wants to speak unkindly about the young boys and girls who are taking care of the schools and the pupils during this disastrous teacher famine; but it must be realized that they are quite untrained, and no more use as teachers than they would be as stenographers without training. There isn't a business man in our cities who would hire an untrained Grade 10 girl as a stenographer. It would be the height of stupidity. So why should we continue to exercise the same degree of stupidity in the management of our schools and the instruction of our children?

Does the government realize that education has never fallen as low as this in 25 years? In the last post war period we were able to get a thousand students into our Normal schools. We can't do it today. Get at the underlying causes and remove them, before a bad mess gets worse.

One of the charter members of The Happy Gang is Bert Pearl. The Gang's daily half-hour program, is heard, at 11.15 a.m. over the CBC.

## OUR HALF ACRE

By H. J. Umbrite

### Agricultural Meetings

The following meetings will be held in Kneehill M.D. No. 48 at which local agricultural problems will be discussed.

he work of the Agricultural Service Board during 1946 will be reviewed and the program for 1947 outlined by the Field Supervisor, J. G. Umbrite.

The District Agriculturist, N. F. Bell, will discuss briefly a number of local problems of vital importance to every farmer in the municipality. This will include references to policies relating to soil conservation, weed control, control of Bang's Disease in cattle, etc.

Slides showing local scenes will be shown at these meetings.

The following dates have been set for these meetings, being sponsored by the local board of trade or similar organizations.

- Feb. 3, 8 p.m., Trochu.
- Feb. 4, 2 p.m., Three Hills.
- Feb. 4, 8 p.m., Torrington.
- Feb. 5, 2 p.m., Acme.
- Feb. 5, 8 p.m., Beiseker.
- Feb. 6, 2 p.m., Linden.
- Feb. 6, 8 p.m., Orkney School.
- Feb. 7, 2 p.m., Drumheller.
- Feb. 7, 8 p.m., CARBON.

All farmers and business men are cordially invited to attend these meetings.

### OFF THE RECORD

A meeting in Ottawa has protested that the consumption of liquor in Canada is so great now that the flow of liquor is cutting deep into the heart of the nation. Apparently distilled waters run deep!

Kicking never starts you off on the right foot.

Life full of self is always empty.

A good plan has a place for everybody.

## WEDDING

Ohlhauser - Elliott

On Friday afternoon, January 17th at two o'clock, Rev. R. R. Hinchey officiated at a wedding at the Carbon United Church when Florence Eileen, only daughter of Mr. and Mrs. W. B. Elliott of Carbon, became the bride of Roman, youngest son of Mr. and Mrs. Adam Ohlhauser, of Carbon.

To the strains of Lohengrins wedding march the bride entered the church on the arm of her father wearing a turquoise dress with a high neck and full skirt and matching brown accessories. Her only ornaments were gold ear rings and locket, gifts of the groom. She carried a bouquet of yellow roses.

Her only attendant, Miss Bella Kapiniuck, wore a gold dress with black accessories. Her corsage was red and white carnations.

Robert Elliott, brother of the bride, was best man.

Miss Florence Downe presided at the organ and during the signing of the register played "Because."

A reception was held later at the home of the bride's parents when a turkey supper was served for 18 guests.

For going away the bride wore a brown tweed suit and gold top coat with brown accessories.

After spending a short honeymoon in Calgary and Edmonton the bride and groom will reside on a farm south of Carbon.

### CARD OF THANKS

The manager and staff of the Bank of Montreal wish to extend their gratitude for the valiant attempt to save the building and contents during the recent fire which gutted the building. To the local fire department and volunteers, "Thanks."

Turn over a new leaf, by all means, but keep it firmly bound in the old family album.

## Bank Guttred by Fire

### Tuesday Afternoon Fire Stops Banking Facilities

#### Records and Cash Safe

Fire of unknown origin broke out about 3.10 p.m. Tuesday in the local branch of the Bank of Montreal. The entire building was gutted and badly damaged by smoke and water.

The fire was first noticed by Jack Adams, teller, who with the assistance of Miss Florence Downe, Clerk, immediately transferred most all cash and records to the vault. Miss Downe was successful in getting out of the building without much difficulty, but Mr. Adams was almost overcome by smoke and had a little trouble in reaching the back door. "If Dusty Poxon had not called to me when he did," said Mr. Adams when interviewed later, "I do not believe I would have made it out of the building. The smoke was terrific." Dusty was one of the first at the scene of the fire.

Mrs. Rusler, who was in the suite above the bank at the time, salvaged a few personal articles and made her way out as the smoke filled the upper part of the building.

Const. Ross, R.C.M.P., was on hand and directed operations until Fire Chief Flaws arrived. There was some difficulty in getting the pump started at the fire hall but once the water started to flow the fire was soon well in hand. Ben and Ernest Fox, Ed. Mashcke and Dusty Poxon were "hose men" a great deal of the time and turned in a good job of extinguishing the blaze. The temperature was around 10 below.

The interior of the building is practically a total wreck and the furniture in the upstairs suite is badly damaged by smoke and water.

No official estimate has yet been made as to the amount of the damage.

Only casualty was Mickey, aged Cocker Spaniel belonging to Mr. and Mrs. Rusler.

### OLD TIMER RETURNS

Those who are left of the old timers, and they are getting fewer as the years roll on, will be delighted to hear that Mrs. Ives rope ot west view ranch is visiting in Carbon on her way to Mexico, and her male admirers of the horse and buggy days of which there were legions (male admirers), can procrastinate and think of how on their way to the Red Deer River to fish, would stop and have a friendly visit, as they were assured of a most hearty welcome as it was together with T. B. Laing's the most popular place in the district.

Charlie Smith, who now says he is only living on borrowed time, was the very genial foreman and a great enthusiast in making merry. You could get a bottle of Hennessy's 3 Star at the J. W. Baird hotel for \$1.25 (real dope). The ranch boasted a lovely fireplace and a sun room where you could snuggle down, and a wonderful Chinese cook could make the winds most appetizing. In the mushroom season you could pick a wash tub full, ad lib. The ranch had a gigantic area and you could see numerous herds of cattle from there all the way to the Red Deer River.

Drumheller in those days was similar to Carbon in its infancy.

Mrs. Ives, like many others, had one great sorrow when her only son, Rufus, was lost while serving in the Canadian Navy.

I am sure all of us will give Mrs. Ives (to some Ollie) the glad hand and a most affectionate welcome. So if any one can suggest a get together please do so and I know all will respond.

Contributed.

N.B.—We had to open seven gates while driving to the river and the toll was a kiss at every gate. Different to these days when you neck all the way there and back and drive with one hand.

## JUDGES PICK ALBERTA WINNERS

Grain experts who know requirements of good barley in the inspection rooms of the Board of Grain Commissioners at Winnipeg on December 31 picked out samples of 35 Alberta farmers as the best entries from their Province in the \$25,000 National Barley Contest sponsored by the Brewing and Malting Industries of Canada. Four were picked as Provincial winners, and the other 31 were awarded cash prizes in their regions. In all they took \$3,385 of the prize money. Best sample of Alberta Malting Barley in 1946 was grown by George W. Johnson, Red Deer, awarded \$400. The other three Provincial winners were Ted Casavant, Legal, \$300; Louis St. Arnaud, Vimy, \$200; and Ray Niemela, \$100. Left to right in the picture is judging panel, A. C. Wilson, Edmonton, Alberta Field Crops Commissioner; Prof. A. G. McCalla, head of Plant Science Division, University of Alberta; F. S. Ludlam, Winnipeg, Chief Inspector, Board of Grain Commissioners; J. E. Blakeman, Winnipeg, District Inspector of Dominion Department of Agriculture Plants Product Division; A. T. Elders, Canada Malting Co., Winnipeg. Missing from the panel is D. S. Kaufman, Dominion Malting Co. In front of judges is Prof. T. J. Harrison, Chairman of the National Barley Contest Committee. The Alberta Provincial champions are contenders in the Inter-provincial Contest, which carries four prizes of \$1,000, \$500, \$300, and \$200. These will be determined at the Manitoba Winter Fair at Brandon the week of March 31.

**FOR SALE** -- Cockshutt 70 tractor on good rubber, lights and starter. A1 shape. Apply to Leo Ohlhauser, Carbon.

**Good News For MOTORISTS**

One of Alberta's greatest needs is good roads.

The recently announced outline of a \$9,500,000 Highway Construction Program for the Province in 1947 is good news indeed to motorists, and indeed to everyone in Alberta, including farmers, transportation companies, and business men generally.

The A.M.A. heartily endorses this program. It is a step towards the system of all-weather highways that Alberta needs, and that the A.M.A. has consistently advocated.

Date of Audit: January 23, 1947.

## BEISEKER NEWS

Mr. and Mrs. Felix E. Hagel of Kelowna, B.C., are visiting friends and relatives in Beiseker.

Mr. Pius Hagel of Calgary spent the week-end in Beiseker.

Mr. and Mrs. Ki Killan spent the week-end in Calgary.

Mrs. J. H. Schmaltz has undergone a tonsil operation in a Calgary hospital.

Fran Lyczewski has had his father from Bow Island visiting with him.

Matt Schmaltz and J. H. Schmaltz attended the agricultural short course and seed fair in the Victoria Pavilion, Calgary last week. A good display of fine seed and latest machinery were a few highlights of the course.

Mr. and Mrs. John Scheffelmair spent Sunday at Three Hills visiting relatives.

The Beiseker Time wishes to thank those who are handing in items of interest. No one but your editor and agent know how they are appreciated. By so doing we get a greater variety of news concerning more people and different parts of our village and district. Keep up the good work.

The rink from Beiseker skipped by Fred Meidinger won fourth prize in the Gas Company event in the Calgaryspiel. Members of the rink were Skip Meidinger, Adam Velker, Slim Schmaltz and Nick Schmaltz.

ACME PIONEER.  
S. JOHNSON, DIES

One of the first residents of Acme, Squire Johnson, 85, died Saturday morning at his home at 509 3rd St. W., Calgary, after a brief illness.

Mr. Johnson was born in Springfield, Ill., and moved to Peru, Neb., where he graduated from Peru State Normal School. He came to Alberta in 1905, settling 18 miles east of Carstairs where he helped to build Acme. Mr. Johnson homesteaded and farmed in the district until he retired and came to Calgary 10 years ago.

Funeral services were conducted in Calgary Wednesday. Interment in Acme cemetery.

MORE FLAX  
NEEDED

When planning the sowing of this season's crops don't overlook flax. The acreage of flax has dwindled in recent years. This has been due to some extent to an all out effort towards food production and the fact the price relationship between wheat and flax has favored wheat growing. With the improvement in the wheat situation and the possibility of even too much wheat being grown, an increased acreage of flax is worthy of consideration.

When planted on clean land, flax can be grown equally as well as wheat, oats and barley. Since flax is not susceptible to sawfly damage it may well prove a more desirable crop than wheat in the sawfly areas. Clean seed is essential and farmers who wish to grow this crop should assure themselves of seed supplies without delay.

WHEATLAND  
DIVISION ANNUAL  
MEETING

Annual meetings of the electors and ratepayers of each of the five sub-divisions of the Wheatland School Division No. 40 were held during the second week in December. While attendance on the whole was disappointing those present showed a keen interest in educational problems.

Nominations were received for the office of divisional trustee in sub-division No. 3 and 5 for the ensuing term of three years. Only one person was nominated for sub-division 5 and E. A. Wagner of Standard was declared re-elected. In sub-division No. 3 two nominations were received, these being F. A. Campbell and J. H. Schmaltz of Beiseker. Mr Campbell was elected by 200 to 174 votes.

Four teachers were lost from the staff at the end of the year. These have been replaced by new teachers at Bryn Mawr and Swallow, by a temporary teacher at Akenstad and by a correspondence supervisor at Brushy Lake. John Thompson of Strathmore was appointed to supervise the correspondence courses at the latter point.

An appropriation of \$500 was made by the divisional board for additions to the Wheatland Circulating Library and new story books to that amount will

Saskatoon, Saskatchewan

## WINTER WHEAT

Winter wheat is a crop which has proven too hazardous for general use in the Prairie Provinces although under some conditions particularly in Southern Alberta it is grown satisfactorily. The advantages of winter wheat, when it winters successfully, are that it excels spring wheat in controlling soil drifting and weeds, in getting ahead of late summer drought and early fall frosts, in yielding capacity, and (recently) in price.

RESULTS OF EXPERIMENTS. — Experiments on varieties of winter wheat and methods of growing the crop have been conducted in the Prairie Provinces for the past 25 years. At the University, Saskatoon, years of experimentation showed that winter wheat sown on open, unprotected summerfallow usually winter-killed, but when the crop was protected by snow trapped by trees, hedges, or rows of sunflower stalks, it generally survived.

AREAS OF PRODUCTION. — Available reports show that, in 1944-45 winter wheat comprised about 8% of the total wheat acreage of the Cowley, Macleod, Cardston, Lethbridge, Medicine Hat, Manyberries districts of Southern Alberta, and 6.3% of the Beaverlodge, Grand Prairie, Fairview area of the North. In other parts of Alberta the acreage is very small. In Saskatchewan considerable success with winter wheat has been achieved in the Senate-Eastend area, and in the Meadow Lake district of the North. In Manitoba there has been practically no success with winter wheat growing.

SUGGESTIONS. — Three suggestions are offered to those interested in winter wheat. (1) Do not attempt growing winter wheat unless the situation and conditions appear favorable. (2) Grow relatively few acres using recommended varieties and procedures. (3) Report your results, whether a success or failure, to the nearest University or Dominion Experimental Station.

## OFF THE RECORD

A report indicates that a new cooling system or air conditioning system is being installed in the House of Commons in Ottawa. May be this will relieve some of the "hot air" there!

Do you find your heart sinking? Perhaps it's of stone.

Democracy supplies demand. Dictatorship demands supply.

be ordered as soon as a selection of suitable books is compiled.

Orders are being placed for five new chassis on which to construct new school buses and it is hoped to obtain delivery at the rate of one per month and to have these ready to replace some of the older buses by the beginning of next school year.

Canadian milk tastes fine this baby testifies. It is one of the recent arrivals from overseas which came under Canadian Red Cross escort with its war bride mother to join the demobilized father and husband in Canada. The Canadian Red Cross Escort and Reception Service is officially closing February 2 after having guided and cared for more than 61,200 war brides and their children to Canada from overseas. Red Cross Aide, shown feeding baby is Mrs. Ellen Fowler.

Ten Cents Extra  
Payment on Wheat

The Government announces it will pay ten cents a bushel extra on 1945-1946 wheat. All Searle Agents are empowered to list farmers' Participation Certificates and make application for immediate payment. The Searle Grain Company is proud to know that the petition for higher prices which it recently circulated among farmers had much to do with winning this extra ten cents. Take all your 1945 Participation Certificates quickly to the nearest Searle Agent.

## CANADA'S Health

### Food Safety

Canada leads most countries in legislation and scientific action to ensure safety of foods. Imported foods are checked on entry and samples of suspected cargoes are tested. On the domestic market food and drug inspectors watch for irregularities and even labelling and advertising are checked closely.

Food inspection is constant, from producer, through processor to consumer. Risk of dangerous, adulterated, contaminated or misbranded articles reaching Canadian consumers is very slight.

### Is Play To Play

A person's adjustment to his environment may be judged by his use of leisure. When used constructively, to exploit creative aptitudes of the individual to relieve monotony of the work day and to strengthen personal associations with one's fellows, leisure time can foster healthful harmony with work and the community in general.

An expert says: "A person should draw no sharp distinction between work and play, labor and leisure, mind and body. It is no accident that almost all big businesses have bowling and baseball teams, social and recreation programs. Individuals also have much to gain by devoting reasonable periods to interesting and stimulating entertainment."

## ROCKYFORD O.E.S. OFFICERS INSTALLED

When Rockyford O. E. S. members staged installation ceremonies recently Mrs. Bell of Hussar officiated and was assisted by Mrs. Larson as installing marshal, with Miss Ruth Brown as organist and Mrs. Brown as soloist.

The newly installed officers are: worthy matron, Mrs. V. Brown; worthy patron, Ray Bragg; associate patron, John Martin; secretary, Mrs. Pearl Stone; treasurer, Mrs. K. Gibson; conductress, Mrs. Edith Dunsmore; assistant conductress, Mrs. Mary Bragg; chaplain, Mrs. Francis Clemens; marshal, Mrs. Carry Browns; Adah, Mrs. C. Pedersen; Ruth Mrs. Mary Roll; Martha, Mrs. Ann Dunsmore; Electa, Mrs. Verdie Dyer; warden, Mrs. Julia Bragg; sentinel, Mrs. Susie Heimbecker.

Three officers were absent and will be installed in February. They are assistant matron, Mrs. Ella Bussman; organist, Mrs. Irene Roppel; Esther, Mrs. Olive Cunliffe.

Newly installed officers presented Mrs. Bell with a bouquet of flowers and the Rockyford members presented their new matron with a bouquet of carnations.

Neither holding out nor giving in is the answer to deadlock. It's moving ahead -- together.

You can give away your heart without squandering your heritage.

## THE FIGHT WE STILL HAVE TO WIN

Out of the ashes of world war who would not like to see a new world rise, this time, on sound moral foundations?

Who would not like to see a world where there is honesty of act and decency of motive? Who would not like to find self giving rather than self seeking? Who does not want the unity that would come in between men and nations if they made the fight for this kind of world their common ideology?

But who will fight in this new way And how? Haven't we tried everything? New systems? New governments? New education? Haven't we given men freedom, hoping they would be decent when we gave them their heads? Then, when that did not work haven't we taken their freedom back again?

We overlook, however, an experiment that has worked. We have found that men behave well when, instead of tying their hands, or giving them their heads, we give them our hearts.

There are already men in the world who are neither slaves, forced to do what is right, nor anarchists creating chaos by doing what they please. Nor are they half-way middle of the road men who are neither one thing nor the other. They are all out fighters for what's right, doing what is right by preference. They have found that, in their heart of hearts, it is always possible to know what's right. And that, if they but ask God's help it is always possible to want to do it.

Sometimes they find it hard. Sometimes they fail. But always they admit both difficulty and failure. Always they challenge others by the challenge of the lives they lead themselves. Always they win others rather than compel them. Always they seek to win men who can bring world renaissance which makes them strategic as well as persistent fighters. And it is always possible for you and me to join them.

## BEISEKER LIONS SPONSOR CARBON CLUB

A Lions Club, sponsored by the Beiseker Lions Club, was organized at a meeting held in the Village Office recently. Lion organizer Bill Holbein of Kalispel Montana, was present to advise the new members.

Officers elected were: President, Frank Emery; vice-president, Al Wallace; Lion Tamer, Art Wegium; Tail Twister, Henry Stock; secretary treasurer, Jack Adams.

Committee chairmen are, finance, Jack Adams; membership, Frank Emery; charter night, Al Wallace. Charter night will be held sometime in February.

Meetings will be held every second and fourth Wednesday. The Carbon club have now some 25 members.

Waitress - What's wrong with these eggs?

Sorry, sir. I only laid the table.

Complex living often comes from leading duplex lives.

## A. F. U. NOTICE

The next meeting on Monday Feb. 3 will be a big meeting and will start at 7.30 p.m. Besides the regular business there will be two guest speakers, Mr. Haley and Mr. Roppel of the Alberta Poultry Producers who will show pictures and answer questions about your poultry problems. A report on the annual convention will be given by the delegates.

This meeting is open to all farmers so if you have a problem concerning poultry and eggs be sure to attend this meeting.

## OFF THE RECORD

Owing to a balanced budget and a surplus being even anticipated, it is indicated in Ottawa that Canada's next budget will be no ordinary, dry report as usual. It will be if the taxpayers are not soaked!

The man who plays the bass drum should have no difficulty beating his way.

I wonder why they call them foot-lights.

I've always wondered too. Leg lights would be better.

Self importance is unimportant.

**AUDITOR'S REPORT**

I have audited the accounts of the Village of Carbon for the year ending December 31, 1946, and have compared the said accounts with their relative vouchers and certify that in my opinion the foregoing financial statement is properly drawn up so as to exhibit a true and correct view of the financial affairs of the Village, according to the best of my information the explanations given to me and as shown by the records, subject to any qualifications mentioned in Auditor's Special Report.

Dated at Carbon this 22nd day of January, 1947

C. V. MILNE, C.A.  
per, A. Blandfield  
217 Dominion Bank Bldg.,  
Calgary, Alta.

**SECRETARY-TREASURER'S REPORT**

The information contained in this Report is as shown by the books and records of the Village, from my own observations, or obtained from other officials of the Village, and all of which I certify to be true and correct according to the best of my knowledge and belief, and in agreement with the Auditor's Report where necessary.

(Signed) S. F. TORRANCE,  
January 22, 1947. Secretary-Treasurer.

## THE GOVERNMENT LIQUOR CONTROL ACT OF ALBERTA APPLICATION FOR BEER LICENSE

Public notice is hereby given that the undersigned intends to apply to The Alberta Liquor Control Board for a License to sell Beer by the glass or open bottle, for consumption on the licensed portion of the premises and also to sell Beer by the unopened bottle for consumption elsewhere than upon the licensed premises, in conformity with the provisions of The Government Liquor Control Act of Alberta and the Regulations made thereunder, with respect to the following described premises:

Beer Salesroom in the south-east corner of the ground floor of the Carbon Hotel, situated on Lots 29 to 33, inclusive, in Block 4, Plan No. 4387-P, Carbon, Alberta.

Dated at Carbon, Alberta, this 15th day of January, 1947.  
CARBON HOTEL LTD.,  
Per: Mike M. Stolemack,  
Manager

Any person desirous of protesting against the issuance of a Beer License to the applicant should notify the Alberta Liquor Control Board, Edmonton, in writing, within thirty days of the date shown at the foot of this advertisement.

## NOTICE TO CREDITORS AND CLAIMANTS

In the Estate of David Gordon Murray, late of Carbon, Alberta, Oil and Implement Agent, Deceased.

Notice is hereby given that all persons having claims upon the estate of the above named David Gordon Murray who died on the 10th day of January, A.D. 1947, are required to file with Stanley F. Torrance, at Carbon, Alberta, by the 15th day of March, 1947, a full statement duly verified of their claims and of any security held by them, and that after that date the executors will distribute the assets of the deceased among the parties entitled there to, having regard only to the claims so filed or which have been brought to their knowledge.

Dated at Carbon, Alberta, this 20th day of January, A.D. 1947.

JOS. J. GREENAN,  
Solicitor for the Executors,  
608 Leeson & Lineham Bldg.  
Calgary, Alta.

## NOTICE

All persons owing accounts to the late David Gordon Murray of Carbon, Alberta, who died on the 10th day of January, 1947, are requested to call at the office of S. F. Torrance, Carbon, Alberta, and settle or arrange for settlement of their accounts as soon as possible. The executors are desirous of verifying the amounts of customers accounts outstanding on the late Mr. Murray's books before applying for probate of his will.

Dated at Carbon, Alberta, this 20th day of January, 1947.

JOS. J. GREENAN,  
Solicitor for the Executors.

## I LIKE A LOCKER...

YOU BET I LIKE A LOCKER

*I remember the old days when I used to have to take  
my allotment of meat, big or small, whether I wanted it or  
not, good meat or poor hot, weather or cool.*

NO MORE OF THAT FOR ME!

The Locker Plant has experienced butchers and proper  
equipment. My meat is butchered now in fall when it is at its  
best and cheapest and then the locker plant chills it properly  
and ages it and makes sure that it is in tiptop condition. After  
that they cut it carefully into proper cuts without waste. They  
quick freeze it, they wrap it, and they cut it just the way we  
want it. All the packages are clearly marked and put in my  
locker at a very low cost.

I AM SURE GLAD I HAVE A LOCKER

number of guests at a shower  
last week honoring Miss Norma  
Schielke whose marriage to  
"Chubby" Gouldie takes place  
February 15th.

Carbon bonspiel is scheduled  
for the week of Feb. 10th.

Mrs. Henry Stockl is visiting  
in Calgary

Carbon hockey team defeated  
Nacmire 8-6 in an exhibition  
game at Carbon last Sunday.

A large crowd attend the an-  
nual Old Timers' dance in the  
Scout Hall last Friday.

Mrs. Fred Present returned  
home from hospital on Wednes-  
day.

Mrs. Ernest Fox was a Cal-  
gary visitor this week.

The annual meeting of the  
Village of Carbon will be held  
Friday evening. Nomination day  
is Monday, Feb. 3.

Grabinsky Bros. sale, billed  
for Thursday, was postponed  
due to bad weather.

Len Poxon is a business visit-  
or to Calgary this week.

Some Carbon curlers took  
part in the Acme bonspiel this  
week.

Mr. and Mrs. Albert Gieck of  
Calgary were week-end visitors  
to Carbon.

Vets Electric of Drumheller  
have completed re-wiring the  
Scout hall.

Born-to Mr. and Mrs. H.  
Greenlee, January 21st, a son.

The Bank of Montreal are  
open for business in the J.  
Greenan office in main street.

## GRAINGER FARM SOLD

The farm known as the F.  
W. Grainger & Sons farm situ-  
ated at Grainger, comprising  
1,552 acres, has been sold to  
Mr. Oscar Keirle of Acme.

F. W. Grainger & Sons home-  
steaded in 1903, buying more  
land later. They spent many  
years wheat farming and a few  
years fox ranching.

F. W. Grainger died July 22,  
1940, at the age of 89, leaving  
his daughter, Winnifred, and  
two sons, George C. and Wil-  
liam Henry. The latter was  
found dead after a curling game  
March 20, 1943, leaving his  
widow, Edith.

The Graingers have always  
been most interested in the wel-  
fare of the district, having seen  
it grow from bald prairie, and  
the building of the then Grand  
Trunk Railway right through  
their farm in 1912.

Mr. and Mrs. G. C. Grainger  
have purchased another farm  
west of Dalroy. Mrs. Edith  
Grainger hopes to return to  
England.

## OFF THE RECORD

There is a trend developing  
whereby women are said to be  
observing less their birthdays  
than men. We don't think that  
is anything new!
